YOUR clothes for summer are a matter we've given considerable attention to, without consulting you; we've gone ahead and got a lot of good things ready;

and as long as we didn't know exactly what you may want we've provided an immense variety for you to choose from.

Hart Schaffner & Marx

clothes are the chief feature of our business in clothes; we make them so because we believe they're the best clothes for our customers to wear; and that's what we're here for.

There's no reason why we shouldn't do the best we can for our customers; we have some knowledge of the clothing business; it's quite natural that we should know more about clothes --- the quality, the tailoring the style --than the average man not in the business. A part of the service we render is to put this knowledge at your disposal; to give you the benefit of it; to use it for your interests.

Our way of doing this is to give you a chance to get Hart Schaffner & Marx clothes; we feel that in this way we are doing you as real a service as can be done for you in clothes. When you compare them with any other clothes made, you'll feel that we've done pretty well by you,
